Children are amazing...cherish them They are believable...

trust them

They are childlike...let them

They are energetic...nourish them

Here now, be with them...

Innocent, delight in them... Magical, fly with them...

Let's indulge our children in some fun-loving and learning activities meant for children in vacation which are specially designed to reinforce essential skills learnt at school and to help the students establish regular habits. It's an opportunity for parents to be part of their learning process.

Dear Parents

As summer vacations begin, it is time for our students to enjoy and nurture their bond with family, friends and relatives. Children are born with creativity and the innate curiosity to learn about the things around them. It is vital to help them keep this spark alive and to make learning fun. So, here we have some meaningful and creative activities to occupy the little ones in their free time. We have also incorporated a few worksheets for the revision of the concepts taught in the class.

We wish you and your family, healthy and safe Summer Holidays.

Happy learning during the holidays...!

Dear Students

As the Summer Holidays begin, make sure that you spend time with your family members, complete your Holidays Homework, watch concept videos and make a note of all the points mentioned below .

Do not throw litter here and there. Use dustbins all the time.

Learn not to waste water, it's an important resource.

Do not use air-conditioners for a long time, they increase global warming.

Do not pluck flowers.

I wish you all happy and safe Summer Holidays.

Warm Regards

## LISTEN, WATCH AND LEARN

### READING IS FUN

Read bed time stories with vivid illustrations to your child. This will help in improving their vocabulary and imagination. For example:

- Peppa Pig Series
- Bruno Series
- The very hungry caterpillar
- No David
- What the Ladybird Heard
- The Magic Paintbrush
- Giraffes Can't Dance

### CONVERSING IN SIMPLE ENGLISH

Encourage your child to talk in English at home , using simple sentences. We teachers are trying to teach the children to use simple sentences like:

- May I come in ma'am?
- May I quench my thirst?
- May I have my lunch/fruit?
- I am not feeling well.
- Give me a pencil, please./ May I borrow a pencil.
- Please help me.
- May I go to the washroom? Etc.....

Similarly, children can be encouraged to use simple words and sentences at home too,like:

- Mumma, please give me something to eat.
- Can I have a glass of water please?
- I am feeling sleepy.
- I am hungry/famished.
- May I watch T.V?
- My stomach is aching etc.....

If we teachers and parents together make a sincere effort , we can help our children learn to understand and speak English well.
