### **Trust Thyself**

To awaken the desire to achieve,  
To foster holistic education,  
Moulding global citizens, with excellence and commitment,  
Retaining Indian ethics.....

## **FROM PRINCIPAL'S PEN**

***“Success is not just what you accomplish in your life, it’s about what you inspire others to do”.***

We, at Prabhu Dayal Public School, aspire to bring this quote to life.

**P**erseverance, **D**etermination, and **P**ositive approach leads to **S**uccess - that is the mantra for all the pdpians.

**“Trust Thyself”** is not just the motto embedded in our emblem, it’s a slogan for all of us in this institution. We aim to give wings to the dreams of our students, to strive for excellence. Our aim is to teach them how to make this world a better place with their contributions. The conducive and progressive environment in our school, helps us to enhance the teaching and learning experience, it also encourages students to develop their skills and increase their knowledge.

We understand the importance of holistic education, as it instills curiosity and helps to develop better communication and social skills. We focus equally on the psychological and emotional growth of our students.

A strong supportive management, exceptionally dedicated teachers endeavour to bring out the best in students. We, as a team, are committed to motivate our students and inspire them to deal with life’s setbacks and to create new experiences for themselves that help them follow their aspirations.

We strongly believe, in the following quote by the great Rabindranath Tagore:

***“The highest education is that which does not merely give us information, but makes our life in harmony with all existence.”***

**Mrs. S. R Panda**

## **FROM HEADMISTRESS'S PEN**

“Education is a tool which empowers us to achieve our potential and be great at anything we dream of”

Today, the role of a school has changed drastically from being an institution which merely discharges academic knowledge to students to an institution which empowers students to become lifelong learners, critical thinkers, pursue hobbies, channelise their potential in pursuit of excellence and a safe environment so that they become productive members of an ever-changing global society.

At Prabhu Dayal Public School, we provide a holistic, student-centric environment wherein the talents, skills and abilities of each student is identified, nurtured and encouraged thus converting them into a self reliant and independent citizen.

The school strives hard to inculcate strong values combining academics with co-curricular activities and Activity-based learning to ensure a scientific temper and a spirit of free enquiry in all its students.

The school firmly believes in shared commitment between dedicated teachers, motivated students and enthusiastic parents to groom the students to pass out as men and women competent to bear responsibilities in all walks of life.

## NURSERY WING

### BAISAKHI CELEBRATION

Amidst the rich festival  
Across the lush greenery  
Baisakhi has arrived  
In all its majesty  
So let's rejoice  
And celebrate in style

School organised Baisakhi celebration virtually on 13.4.21 for nursery class. Teachers in their respective classes explained to the little ones the significance of Baisakhi. Some PPT presentations were also shown to the tiny tots.

### EARTHDAY CELEBRATION

*"It's not yours, Nor mine, It's ours. So, protect your mother who, nourishes you "*

World EARTH DAY is celebrated on 22nd April every year to spread awareness among all to find ways to conserve our Motherland.

The students of class Pre School pledged to heal the Mother Earth on the occasion by turning off lights and taps. They planted saplings and fed birds too to demonstrate their sincere endeavour to protect our blue planet.

## **FATHER'S DAY**

Daddy, you are strong and tall,  
Stay by me and catch me whenever I fall.  
Batman, Spiderman and Superman there be,  
I look up to you as my Superhero to be.  
I will follow your steps, wherever you go,  
You are my pride, Daddy, do you know!

The little boys and girls of Prabhu Dayal Public School, in order to make their daddies proud and pay respect and gratitude, celebrated Father's Day in a spectacular way.

## **RED COLOR DAY**

Can we imagine the world without colours?  
Not at all! Nature itself has many colours,  
which makes the world look beautiful.  
Colours are indeed the smiles of nature.  
With this objective the students from  
NURSERY celebrated "Red Day" on,  
Saturday, 17.6.21

To mark this day very special, students and teachers were dressed in red clothes.

## **INTERNATIONAL YOGA DAY**

It has always been in the forefront to ensure the best for the students. The foremost priority in this hour of crisis is to provide a holistic approach to health and well-being of our students, by keeping a healthy balance of mind and body. Yoga, being a catalyst to mental well-being embodies the unity of mind and body. Yoga also provides tools for practicing compassion, generosity, focus, strength, and flexibility.

In the pursuit of the same, on International Yoga Day, the parents and students did different yoga asanas virtually on 21.6.21.

## YELLOW COLOR DAY

Decked in yellow, we are in mellow. Kids celebrated Yellow Colour day on 23rd June 2021 with ecstasy, joy and happiness. Shades of yellow stimulate our little ones with happiness, energy and optimism.... Children were not only beautifully dressed in their favourite yellow dresses but also displayed yellow objects to make it a complete "Yellow Day"!

Focusing on the theme the teachers planned craft (chick making) and mango mojito making activities.

Cheerful children attired in yellow outfits were sparkling with optimism, enlightenment and happiness.

## INTERNATIONAL DOCTOR'S DAY

Dawn of relief, obliging, caring, tolerant, omniscient, and reasonable. – That's called a Doctor! National Doctor's Day is celebrated on July 1 every year. This day allows us to thank physicians and doctors for their dedicated services to patients. The day honours the contribution and dedication of the doctors in the worst of times. They were made aware of the critical role that doctors play in our lives and how their non-stop service to the nation during the pandemic qualifies them to be recognised as real-life heroes. The first aid box making activity was conducted.

On behalf of the entire nation, the PDPS family wishes to express immense gratitude to all doctors!

## THIRSTY CROW

To ingrain values, entertain and educate kids, a story telling session was conducted by the Pre School facilitators on 2.7.21. The teachers were dressed up like different characters. Children found it really interesting and enjoyed the story of 'The thirsty crow' which was narrated with creative illustrations and voice modulation. Overall it was an overwhelming and enriching session for the kids.

## CLAY MOULDING

Clay moulding is a fun way to create something and play 'make believe' for kids. It has many educational benefits for kids. So to enhance their skills teacher conducted a class for tiny tots in which they enjoyed making sun with clay.

## INDEPENDENCE DAY

The pandemic has confined the learners to their homes, but it cannot dampen their patriotic spirit and pride for the nation. To celebrate the spirit of Independence Day virtually, a tri colour pudding making activity was organised for pre-schoolers. The dance performance by our little country lovers added spark to the function. Video of flag hoisting by our manager Ms Bimla Bhatia and ppt on Olympic winners and freedom fighters was shown to the kids. They learned the value of the sacrifice made by our freedom fighters. They were also apprised about their duties as a responsible citizen. The activity witnessed active participation of the learners and was enjoyed by one and all.

## **JANMASHTAMI CELEBRATION**

Krishna Janmashtami was celebrated with great pomp and festivity by the tiny-tots of pre-school on 27.8.21. Dressed as Radha and Krishna, the cute little ones added a traditional touch to the entire celebration when they danced to the beat of Janmashtami songs, filling the air with joy.

## **RAKSHA BANDHAN CELEBRATION**

The festival of Raksha Bandhan not only celebrates the love and duty between brothers and sisters, it also has a social significance.

To commemorate this festival, a Rakhi Making Activity was organized for the students of the Junior Wing on 19.8.21.

Students made beautiful Rakhis using bindis, stars threads etc. Their artisanship was quite fascinating and children thoroughly enjoyed this activity that tickled their creative side.

## **FRIENDSHIP DAY**

*Friendship Day is just an opportunity to let our friends know that we value their presence in our life."*

On 1.8.21 Friendship Day is celebrated all over the world.

To mark this day Nursery students celebrated friendship day during their online class.

Students talked about importance of friends in life. They discussed the value of "sharing is caring". The day concluded with students hugging their friends virtually and presenting each other with a friendship day craft.

## **MYSELF-COMPETITION**

Introducing oneself to the World is an art. Exposure of this kind boosts the confidence of children and helps them to be more social. A confident mind leads one to great success even when the tides are against them. We endeavour to build confidence in our new generation of India. So keeping this in mind a competition was conducted on the topic-'MYSELF' on 20.07.21 Kids enthusiastically participated in it.

## MAGIC SHOW

Kids love magic. It's a key ingredient of childhood. Every day is a new adventure of discovery, mystery, and wonder. It turned out to be an amusing hour for our little ones. exciting tricks left the children clapping with joy. They laughed, they giggled and some tricks left them startled.

It was an hour filled with loads of fun and enjoyment.

## RABBIT AND TORTOISE

Listening to stories is 'edutainment' and narrating them is an art! We thus spare no opportunity to usher our children to engage in this endeavour. We planned an English Story narration during the online class. Children found it really interesting and enjoyed the story of 'The rabbit and tortoise' It was narrated with creative illustrations and voice modulation. Overall it was an overwhelming and enriching session for the kids.

## INTER-SCHOOL COMPETITION

Imagine with all your mind, believe with all your heart, achieve with all your might. The students' achievements are nothing if they're not appreciated. Having said that, the students of our school have come up with such a diverse creativity that it renders one with amusement. They have pushed the limits by making us believe the fact that the youth have the power to conquer the world whatever it has within. Here we present the work of our school wherein some of them have initiated their own success. It was proud moment for us when AADVIK SOOD of PRESCHOOL –A won first prize in interschool competition which was conducted at Queen's convent school. The little boy enacted the story of Wing Commander **Abhinandan** Varthaman. Heartiest Congratulations to the Winner.

## PRIMARY WING

*Every child is a different kind of flower and all together make this world a beautiful garden.'*

### GO GREEN BREATHE CLEAN

June 5 is celebrated as the World Environment Day. The main aim of observing this day is to change attitude towards environment and advocate partnership between each human being and society to ensure a safe future.

As the World Environment Day was observed all over the country, Prabhu Dayal Public School once again proved its commitment to protect the nature and environment. The students of Primary Wing were encouraged to plant saplings as these small efforts can leave a big impact on the environment. The students pledged to plant more trees and save Mother Earth.

### FUN WITH SHAPES

Students of Class II thoroughly enjoyed this Mathematics Activity of drawing cartoons using different shapes.

## **SALAD MAKING ACTIVITY**

Our little chefs of Classes I and II were taught in the class about peeling, zesting, cutting safely and applying these skills when preparing healthy salads. Children learnt key information about healthy eating and where their food comes from.

## **POEM RECITATION (ENGLISH) WITH PROPS**

Students of Class III enthusiastically participated in the recitation activity. They all came with various interesting and colour props that brought spark in their performance.

## **SUPER HERO ACTIVITY**

Children of Class V enacted their favorite super heroes during their English online class. Everybody took up a theme based on environmental concerns and spoke eloquently on the same.

‘Yoga is a light, which once lit will never dim. The better your practice, the brighter your flame.’

## **INDEPENDENCE DAY CELEBRATIONS**

Freedom in the mind, Faith in the words, Pride in our souls.

75th Independence Day was celebrated with true zeal on 13th August '21 virtually during the online classes in the Primary Wing. This national event was celebrated by displaying the feelings of patriotism through role plays, dance and songs. Interesting craft making activity was organized in all the classes. Honorable Headmistress encouraged and motivated the kids with her inspiring words.

## **ECO-FRIENDLY JEWELLERY MAKING ACTIVITY**

To sensitize our children to become the crusaders for environment conservation, an activity of Jewellery making using eco-friendly material was organized for Class IV. Everybody cherished and appreciated this unique and interesting idea.

## ODD EVEN MANIA

Children of Class III thoroughly enjoyed the fun filled spin the wheel Mathematics activity to understand the concept of odd and even numbers.

## PLETHORA OF ACTIVITIES OF KINDERGARTEN SECTIONS

## ONLINE WORKSHOPS AND WEBINARS

### 01. Stencil Painting on Fabric Workshop by Pidilite for the Students of Class III

Schools are physically closed but that doesn't mean kids have to stop learning or being creative. As we provide them online teaching, we also conduct workshops that focus on sparking their creativity.

A workshop-Stencil Painting on Fabric was conducted for the students of class III on 03.07.21.

It was a fun workshop that helped in developing creativity and self expression among the students.

## 02. Vedic Maths workshop organized by TOI

Vedic Maths is an excellent tool for developing interest towards numbers and making calculations a fun. With this in view, a workshop on Vedic Mathematics for students was organized by Times of India on 17th June 2021. The resource person, Ms Harneet, shared the brilliance of Vedic mathematics and taught a few tricks to the students to calculate faster and with accuracy. She gave various examples and in hand practice to the students to grasp the tricks spontaneously.

## 03. Online session by Anon Global Foundation - Building Mentally Agile Generation.

The online session by Anon Global Foundation on 17.7.21 on the topic 'Building Mentally Agile Generation' was about helping the children develop ways of coping with their feelings during difficult times by making specific suggestions about things which might help them calm themselves. Good mental health helps children to develop socially, emotionally, mentally and physically. This was highlighted in the session by Ms. Arti Girdhar and Ms. Shammi Pruthi.

## 04. An online session for classes 3 to 5 was conducted by our school in association with Anon Global Foundation on 21st Aug, 2021. The theme for the session was 'Finding Happiness', where over 100 participants joined with great enthusiasm. We had Ms. Ridhi Luthra, a lifeskills coach and Ms. Neetika Kohli, a philanthropist and educationist as the hosts. Having insightful online sessions like these become so upright for our students in these challenging times.

## OUR YOUNG WRITERS

### **THE THINGS I LOVE ABOUT MY COUNTRY**

*The name of my country is India, and its capital is New Delhi. My country is very big divided by lots of states and union territories. Each state has a unique culture and language. But still, we are united and it is the strength of India. Apart from big cities, India is mostly covered with villages and urban areas. The natural beauty of our country is indescribable in words. From Kashmir to Kanyakumari, everyplace has its own unique beauty. People are friendly. They love to live together. \***I love my country: INDIA**\**

*Pandemic can put a pause to everyone's life but it couldn't to a heart that is filled with enthusiasm towards the teaching learning process. I want to express my love and gratitude towards all my passionate teachers through a short poem.*

*It takes a special person to teach a child in class.  
To just keep his attention  
In a world that moves so fast.*

*To show a child he is unique  
With talents deep inside.  
To help build his confidence,  
So he can beam with pride.*

*To inspire and to motivate  
So a child can learn and grow  
To go into the big world  
That has its high and lows.*

*You are a special person.  
You always give your best  
And for every child who has your class  
Their life is truly blessed.*

### CHANGING THE PAST

The past is the past for a reason  
That is where it is supposed to stay  
But some cannot let it go  
In their heads it eats away

Until all their focus becomes  
The person they used to be  
The mistakes they made in their life  
Oh, if only they could see

That you cannot change what happened,  
No matter how hard you try  
No matter how much you think about  
No matter how much you cry

What happens in your lifetime  
Happens for reasons unknown  
So you have to let the cards unhold  
Let your story be shown  
Don't get wrapped up in the negative  
Be happy with what you have been given  
Life for today not tomorrow  
Get up, get out or start living

Because the past is the past for a reason  
It's been and now it is gone  
So stop trying to think of ways to fix it  
It's done, its unchangeable; move on.

## UNAPPRECIATED COURAGE

To roar like a lion  
Or to shine like a star,  
Everyone wants to become that  
One thing that other's can't.  
Doesn't that take courage, the  
Clouds asked.  
The sun said, it does, but often,  
The courage is masked.  
Why is it so, that courage is not  
Appreciated, but the outcome, its  
The one thing, never depreciated?  
Like the journey that is left behind,  
The courage is seen as a leaf,  
Even if it does everything,  
It is unappreciated, as is the belief.

## THE BEAUTY OF THE TREE

Can there be anything more lovely  
Than the beauty of a tree?  
The leaves shimmering in the wind,  
Dancing so gracefully.

The strength of her mighty roots  
That grows deep into the earth.  
She's weathered every storm gale  
For all that she is worth.

Standing tall, resilient  
With her branches lifted high,  
She refused to bow, to break, or bend  
But reaches upward to the sky.

The beauty of the strength within  
As she held her head up high.  
Her strong resilient spirit  
Grew wings and learned to fly.

## TRAVELLING AS A MEANS OF EDUCATION

Travelling is meant for fun, adventure and the first hand knowledge of people and places. An exact idea of people and places can be possible only when we reach them physically. In fact, it is a better teacher than books. It helps us to learn things in an easy manner, the knowledge gained is perfect and permanent. A student who undertakes a lot of travelling becomes awakened about many things of the world. During educational tours, students come across different people with different customs and traditions. Travelling opens hearts and minds. It makes us see unity in diversity. It sheds our narrow mindedness. So, I firmly believe that educational tours should be made an integral part of our education system.

## STANDING EQUAL

No one is above,  
No two below,  
We were made all alike,  
Why disrupt the flow?  
The world is new,  
And so are our thoughts,  
Can we just retract,  
The havoc that was wrought.  
For years and years, the  
Society has dwelled on archaic  
Beliefs,  
But isn't it time to take a  
Sigh of relief?  
Isn't gender just a word?  
Originally just two, but now  
We've augmented beyond the third.  
Yet the abysmal chauvinism,  
Why do we put men above women?  
Or binary above others?  
Why is it so difficult to accept  
Those who have raised above  
The petty standards?  
Why is it difficult to move forward?  
At the end of the line,  
We're all just humans.  
To be kind to others .....  
..... is just fine  
Why segregate, when we can love.  
Why can't we accept, that to  
The society, equality fits like a glove.

## GO CORONA GO .....

Oh cry the best you can cry; I can feel the hold as it holds  
You put our health at risk and our  
Education has been halted by you  
We can no longer go to school, we want to  
Be in a learning environment  
We find it hard to eat, street children  
Poor homes, suffering, fending for themselves  
We wish you no success everyday  
Running lives across the nation  
You've become a thorn in our flesh  
Our fears keep us awake at night, seeing  
And hearing new cases everyday, putting  
Us in a state of total confusion, not  
Knowing what's going to happen next.  
We're here to support each other, as  
Children we can lead to our capacity  
So stay safe by adhering to the preventive measures  
Each day will pass, we will walk together  
In love, no matter what comes our way  
We won't compromise our fate to see a glowing  
Nation without COVID-19 so stay safe,  
Stay at home, we will see you soon.

(JOKES APART)

I miss the days when you  
Sneezed and people would politely say  
'GOD BLESS YOU', now they say  
'GET THE HELL AWAY FROM ME'.

## SOCIAL ANXIETY

I feel suffocated  
Like a butterfly  
Trapped in a cage  
With no escape.  
I felt trapped  
Like in a box tightly sealed  
Travelling in a ship  
Across the seal  
The atmosphere is claustrophobic  
There are many hours of feeling sick  
There ain't much room to think  
My mind succumbing  
By familiar loneliness  
Which is dark  
Which is empty  
Which is distant  
My heart pounding  
To my eardrums  
It goes like .....  
Thump .....  
Thump .....  
Breath escaping my body  
Faster than my mind  
It is labored  
It is sunsheated  
It is arrhythmic  
But I won't let that stop me  
I won't let that get to me  
I will shine  
I will come out strong  
Definitely stronger than before!

## WHY YOU FEAR THE STARS.....??

Why you fear the stars  
When you are the queen / king of your life  
Why you fear the stars when you can live  
By your choice  
The people will betray  
But you follow the path that takes you high  
Live your passion live your side  
And you can see everybody's sight  
Fire up your fear, illuminate your heart  
It's something you see, for something you are  
The moon knows your secret  
The stars that you dream  
The midnight showers the scent  
Why you fear the stars  
When its just what you meant  
Just give the shot and it will make you  
Feel the best

### शिक्षक की पहचान

बड़ा पुनीत पर्व है शिक्षक दिवस,  
इसी अवसर पर मैं शिक्षक वर्ग की ओर से  
एक बात कहना चाहती हूँ, आह्वान करना चाहती हूँ \_  
साथियों , जब भी जन्म लें, प्रण करें कि शिक्षक ही बनें क्योंकि -  
हम वह शख्सियत हैं जो गलियों में खेलते वर्तमान से , भविष्य के स्वप्न सजाते हैं,  
कोरे कागज़ पर कलम चलाकर बनाए गए नए शब्दों को किताबों में ढालते हैं।  
और अगर आज के दौर की बात करूँ तो \_  
शिक्षा पर नित्य नए प्रयोग से थोड़ा विचलित ज़रूर हो जाते हैं,  
मगर हर सरकारी फ़रमान को बखूबी हम निभाते हैं।  
कभी दिया था इस नीति-निर्धारक समाज ने हमें चॉक-डस्टर हाथ में,  
पर अब बदले परिवेश में यही हाथ कंप्यूटर और लैपटाप चलाते हैं।  
इन नए औज़ारों से हम शिक्षक फिर - फिर नई खुशहाल दुनिया गढ़ जाते हैं,  
आज भी हम अपने नौनिहालों को नासा - भाषा की सैर कराते हैं ,  
दुनिया रखे तो रखे कदम चाँद पर , हम तो अपनी कक्षा में ही चाँद बसा देते हैं ,  
भला कैसे नापोगे हमारी ऊँचाई , हम तो उन्हीं ऊँचाइयों पर चढ़ स्वर्ग जीत जाते हैं।

### शिक्षक

बचपन से लेकर हमें बड़ा करते हैं,  
किताबों से नहीं ये दिल से पढ़ाते हैं,  
धीरे- धीरे ये दोस्त बन जाते हैं,  
ये इंसान रूपी भगवान अध्यापक कहलाते हैं ।  
इनका एक ही मकसद , हम पीछे न रुकें ,  
कभी नीचे ना झुकें , बस आगे ही बढ़ें ,  
हमारे सफर में हाथ जो थाम लिया ,  
हमेशा हमें बड़ा बनाने के लिये काम किया ,  
पढ़ाना इनका तोहफ़ा है ,  
हमारे लिए इन्होंने सारा ज्ञान झोंका है।  
कुछ आशाओं की नाव हमने उम्मीदों से बनाई हैं ,  
देखा नाव में तो छेदों की गहराई हैं ,  
गहराइयों को भरदे ऐसी अनमोल चीज़ खुदा ने बनाई है ,  
आज उन्हीं अध्यापकों के लिये हमने ये जगह शब्दों से सजाई है ,  
कभी नहीं भुलेंगे वो चीज़े जो आपने हमें सिखायी हैं ।

## गुरु महिमा

गुरु वही जो रखता है देने का भाव सदा मन में,  
यह निर्भर है स्वबुद्धि पर लेने की कितनी चाह हमें,  
पथ-प्रदर्शक बन वह ज्ञान की लौ जलाता है।  
उस ज्ञान पुञ्ज को प्रज्ज्वलित कर , अज्ञानता का तम हर लेता है।  
माता सी ममता भी उस में पितृ तुल्य दुलार दिया।  
कभी आचरण कर मित्रता का, आदर सत्कार का भाव दिया ।  
भटके को राह दिखाने हेतु , कभी क्रुद्ध जब वह बन जाता है ।  
पर क्षण में वह अभिभावक बन शिष्टता का पाठ पढ़ाता है।  
सोचो- समझो प्यारे मित्रो गुरु की महिमा को पहचानो।  
उचित-अनुचित का निर्णय कर तुम, अपने कर्तव्य को जानो।  
उस देवतुल्य गुरु के प्रति कर्तव्य निभाने की अब तुम्हारी बारी है।  
देना है सम्मान उन्हें जिनके वे अधिकारी हैं।

## हिन्दी दिवस

हिन्दी हमारे जीवन मूल्यों , संस्कृति एवं संस्कारों की सच्ची संप्रेषक और परिचायक है । यह राष्ट्र की एकता को सुदृढ़ बनाने में उपयोगी है । यह बहुत सरल, सहज और सुगम भाषा है । अपनी राष्ट्र भाषा की महत्ता को सम्मान देने के लिए प्रति वर्ष की भांति इस वर्ष भी 14 सितंबर को विद्यालय के विद्यार्थियों के द्वारा हर्ष एवं उत्साह द्वारा मनाया गया । हमारे लिए यह गौरव का विषय है, कि इस बार विद्यालय में हिन्दी दिवस आभासी रूप में (ONLINE) मनाया गया , जिसे हम सबने सुखद स्मृतियों के रूप में संजोकर रख लिया ।

## कोरोना काल

संसार में फैली ऐसी महामारी,  
जिसने हर ली हिम्मत हमारी ॥  
नाम है उसका कोरोना,  
छू लिया जिसने हर कोना ॥  
लोगो में आ गई दूरी,  
दूरी बन गई सबकी मजबूरी ॥  
लग गया संपूर्ण लॉकडाउन,  
दुनिया हो गई डाउन और डाउन ॥  
मॉस्क बन गया अहम नियम,  
सेनिटाइज़र लगाए लोग हर दम ॥  
आओ सब मिलकर कदम उठाएं,  
जल्द से जल्द वैक्सीन लगवाएं ॥  
लोगों में जागरूकता फैलाए,  
कोरोना से देश बचाएं ॥

## **FROM EDITOR'S PEN**

Dear Readers

Greetings to you !!

This edition of Blue Streak (e-news letter) makes its presence during the times when schools are still closed due to COVID-19. We are all facing a grim situation but battling against it bravely. E-learning has now emerged as the best way of imparting education.

It has been rightly said that talent wins games but team work and intelligence wins championships. This newsletter is an honest effort to show case not just the talents of our budding authors, poets but also to give them a platform to launch themselves and touch the sky.

The Editorial team takes the opportunity to express its sincere gratitude to our Principal, Mrs. S R Panda for entrusting us with this responsibility and for being a constant beacon of light to the institution.

HAPPY READING!!
